# DEDICATION

CHESTER J. GREENDA

The 1988 Town Report has been dedicated to Chester J. Grenda. Chet and his family moved from Claremont to Winchester when he was two years old. Chet attended Winchester schools and worked at the A.C. Lawrence Leather Company until his retirement. He married and raised three children - Carolyn, Nancy and Chester.

Chet has served the Town of Winchester in many ways. He has been on the Cemetery Committee and until recently he served as a Supervisor of the Checklist. He has been a very active member of the Winchester Fire Company since World War II.

On behalf of all the townspeople of Winchester, we wish to thank you for your many years of service and devotion to your town.

Thanks Chet!

Eugene W. Clark, Chairman  
Joseph S. Dominick, Sr.

## SELECTMEN'S REPORT - 1988

The Board of Selectmen wish to thank all the taxpayers and Town Officers for their cooperation during the past year. Selectmen hold regular hours on Monday 9 AM to 12 Noon, and meet Wednesday 7 PM to 9 PM. Other times may be arranged by calling 239-4951 if these hours are not convenient. The Selectmen's Office is now open Monday through Friday from 8:00 AM to 5:00 PM.

We again call your attention to the numerous forms available in the Selectmen's Office to be used by the taxpayers for property taxation. The only form that is mailed out is the Inventory of Taxable Property. All other forms must be obtained at the Selectmen's Office. The law states that an Inventory Form must be filled in, signed and returned to the Selectmen's Office on or before April 15th. If an Inventory Form is not filed, there is no legal basis for the Board of Land and Tax Appeals or the Court to consider an application for abatement. Also a late return of the Inventory Form will be assessed a penalty.

### VETERAN'S EXEMPTION

Permanent applications are available in the Selectmen's Office. We call to your attention that, if a person eligible for exemption changes his domicile, or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials.

### EXEMPTIONS FOR CERTAIN ELDERLY PEOPLE (C.E.P.)

These forms are for persons who qualify for reduction in their tax bills. These forms must be completed and in the Selectmen's Office on or before April 15, 1988. If there is no completed form on file, we cannot grant the Elderly Exemption. As of April 1, 1988, the three categories of exemptions are from ages 65 to 75, 75 to 79, and age 80 and over. It is your responsibility to complete a new exemption form if you change categories.

### INTENT TO CUT TIMBER

Every owner, including State, County or Municipality or Public Agency, shall, prior to each cutting operation, file with the Selectmen a notice of intent to cut.

### ASSESSMENT OF OPEN SPACE

No owner of land shall be entitled to have a particular parcel of his land classified for any tax year under the provisions of this chapter unless he shall have applied to the assessing officials on the form approved by the Board and provide by the Tax Commission.

### PERMITS

Any person, firm, corporation, municipality, public agency or institution desiring to operate, maintain, offer for rent, lease or tenancy a site, lot, field, tract of ground for location of any new building, trailer park, trailers or mobile homes or other similar conveyance, or place of abode for shelter shall obtain a written operating permit from the Board of Selectmen. Where applicable, it would be necessary to have received and to show proof of having received approval for construction granted by the New Hampshire Water Supply and Pollution Control Commission for construction of any septic tank system before a building permit or permit to park a trailer or mobile home shall be issued.

### HOUSE TRAILERS

Whenever a person moves a house trailer or mobile home into a city or town for the

purpose of establishing a residence in said city, or town, or whenever a person purchases an existing house trailer or mobile home with intent residing in the same at the existing location, he shall within fifteen (15) days of placement of the trailer register with the Assessors of the city or the Selectmen of the town where he shall reside. Whoever fails to comply with the provisions of this section shall be guilty of violation 72:7B (1973:152).

#### STREET NUMBERING

In 1987 all streets and roads in the Town of Winchester were assigned names, and street numbers were issued to each home. Prior to this project, many streets and roads were known by several names, which caused problems for emergency personnel as well as other people looking for a certain address. Our Post Master Richard E. Whipple put in many hours of work to design and put this numbering system in effect. We would appreciate having every house marked with the assigned number, as well as all mail boxes. If you are not sure of your number, please call Mr. Whipple at the post office or call the Selectmen's office. Your cooperation in this endeavor will help everyone.

#### TOWN OF WINCHESTER

#### WATER DEPARTMENT POLICY

#### WINCHESTER, NEW HAMPSHIRE

#### LARGE CONSUMERS

Including hotels, motels, stores, markets, barber shops, restaurants, laundries, greenhouses, manufacturers, commercial industries, car wash services, farms, and building purposes, etc., rates by meter or special written agreement.

#### RULES AND REGULATIONS

1. Service pipes will be introduced into the premises of all persons making written application therefore to the Selectmen, providing said premises are located on some main, or distribution main of the system. The entire expense of a water line, including all pipes, curb boxes and other necessary materials and all expense of laying the water line shall be paid for by the applicant. The Water Department shall be responsible for any repairs made from the main line to the curb box, all repairs made after the curb box shall be the responsibility of the property owner. All valves are to be of rubber compression type.
2. All applications for the use of the water must be made in writing to the Selectmen (or their authorized agents) by the owner of the premises or authorized agents, and the various uses to which the water is to be applied must be fully stated. It shall not be used for any other purpose without previous notice to the Selectmen.
3. All persons taking water must keep their pipes and fixtures in good repair and protect them from frost to the service box at their own expense. They will be held liable for all damage resulting from their failure to do so.
4. They shall prevent all unnecessary waste, and water shall not be left running to prevent freezing without prior authorization from the Town.

5. The Selectmen and their authorized agents shall have free access to all premises supplied with water to ascertain the quantity of water used, the manner of its use, and whether there is any unnecessary waste; also to examine the apparatus. If any pipes or fixtures are not found in good order they will be immediately repaired at the expense of the owner. If repairs are not made within two days after notice, the water will be shut off until such repairs are made.
6. The water rents shall be due and payable quarterly in advance and payable at the office of the tax collector on the fifteenth day of February, May, August and November of each year, and pro rata to those dates. In all cases of nonpayment of the water rents within fifteen days after the same are due, the water shall be shut off until all charges are paid. The property owner will in all cases be held liable for water rents.
7. All parties using water in stables will be charged schedule rates for the same whether it is carried by hand or through hose.
8. The Selectmen reserve the right to put in a meter at the expense of the water user, in any case, and charge for water rates corresponding to meter rates charged by works of a similar class. When water passes through a meter it may be used for any and all purposes. No person except an employee of the Water Department will be allowed to take off water meters, or tap the mains.
9. No abatement of water rents will be made by reason of disuse or diminished use unless the water has been turned off at the curb stop by the Water Department. No abatements can be made without written authority of the Board of Selectmen.
10. Owners of water takers shall also promptly give notice when the use of fixtures has been resumed or tenement re-occupied.
11. SHUTTING OFF WATER: The Selectmen reserve the right to shut off the water for the purpose of making alterations or necessary repairs; and they will also restrict the use of water in case of shortage, especially in the case of large consumers and garden hose; also they will shut off the water from any person who will disregard these rules or neglect to pay the water rents when due.
12. When a water use ban is in effect, violators will have their water turned off and the water will not be turned back on until the sum of \$20.00 has been paid (\$10.00 turn-off, \$10.00 turn-on).
13. No person shall be entitled to damages, nor to have any portion of a payment refunded for any stoppage of water for the purpose of additions or repairs, nor any stoppage for violation of these rules, nor for any purpose whatever, which in the opinion of the Selectmen may be deemed necessary.
14. LETTING ON WATER: When the water has been shut off for violation of any of these rules, for nonpayment of rents, or for repairs for consumer, it shall not be turned on again until the Selectmen are satisfied that there will be no further cause for complaint, and the sum of \$10.00 shall have been paid for shutting off and \$10.00 for turning on the water. There shall be a \$10.00 turn-on and \$10.00 turn-off fee for seasonal usage.
15. The Selectmen reserve the right to establish such rules, regulations and rates from time to time, as they may think expedient for the introduction and use of water. Water will be supplied only to such parties as conform to the rules and regulations of the Selectmen.

16. If in any case it becomes necessary to shut off water from any distribution main or branch pipe, reasonable notice will be given whenever possible and in such manner as practicable. However, in the cases of emergency, notice of water stoppage will not necessarily be given.
17. No person shall in any case be allowed to open a fire hydrant except by a written permit from the Selectmen, but the engineers of the Fire Department shall in all cases have control of hydrants at fires.
18. ANY person, corporation, or other entity, who damages any part of the water system will be held liable for all costs of repair.
19. Water takers shall not allow persons not taking water to obtain water from their fixtures without a written permit from the Selectmen.

If any water taker permits another, not a patron of the water works, to obtain a supply of water, the taker so permitting shall be charged double the regular rate for a full quarter and longer if said person continues to furnish water contrary to this rule.
20. No person shall park a vehicle so as to obstruct a fire hydrant or place or cause to be placed, any building material, earth, snow or other obstruction in the way of it's free use by the firemen (within four feet of hydrant on all sides).
21. Consumers leaving their premises unoccupied for any length of time are especially warned to close the main house shutoff, as water is liable to escape by accident or otherwise.
22. We recommend service pipe to be three quarter inch copper K water pipe and brass or copper pipe fittings. Any non-conforming pipe, such as plastic or PVC, shall be laid on a base of six inches of fine, stone free sand, and with a minimum of twelve inches of stone free sand placed over and above the pipe. All water lines shall be inspected by the Selectmen or their authorized agent, during installation. Standards for plastic or PVC pipe and fittings must conform to a minimum of one-hundred sixty pounds per square inch test or 200 lb PSI copper tube size.
23. All new mains installed by applicants must be of ductile iron type pipe (class 52) and accessories. No asbestos cement or transite lines shall be connected to the water system. All new mains installed by land developers must be shown on a map drawn to scale and supply necessary information such as location of mains, hydrants, corporations and curb boxes, with detailed measurements of curb boxes and corporations. A copy of scale drawings shall be submitted to the Selectmen. All new water systems will be subject to inspection by the Selectmen or their authorized agent during installation. All gate valves shall be resilient seat type and mechanical joints.
24. All new fire hydrants shall be installed with a shut off which will be located four feet from the hydrant. All new hydrants shall be Dresser 929. Installation of hydrants shall be inspected by the Selectmen or their authorized agent during installation.
25. No person shall turn on, turn off or otherwise tamper with curb boxes without the written consent of the Selectmen or their authorized agent.
26. Each individual dwelling, business, etc., must have a separate connection to the main and separate curb boxes.
27. All connections to the water system are to be done by the Water Department with proper notice given to the Selectmen.

28. No connections will be made by the Water Department after the month of October, through the month of April, unless authorized by the Selectmen.
29. No person shall fill a swimming pool from a hydrant, unless authorized and supervised by the Selectmen or their authorized agent.

CONSUMPTION CHARGE: First 500 Cubic Feet - \$10.00  
(Where Applicable)

Next 10,000 Cubic Feet - \$.35 per Cubic Foot  
\$35.00 per 100 Cubic Feet

All Over 10,500 Cubic Feet - \$.30 per Cubic Foot  
\$30.00 per 100 Cubic Feet

(7.48 Gallons equals a Cubic Foot)

NON-METERED USERS: \$25.00 per quarter per household unit.

SEASONAL (UP TO 6 MONTHS): \$50.00 per year.

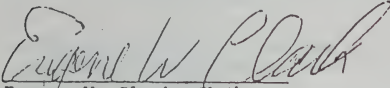

SPRINKLER SYSTEMS: \$75.00 per quarter.

Water line repairs will be charged to consumer.

Prior to the water being turned on at a use, all requirements of the Town of Winchester must be met, (i.e., septic approval, permit to move, driveway permits, etc.).

Each application is considered on its own merits. The Selectmen reserve the right to deny any application for use that they determine will jeopardize the safety or health of current municipal water users, or will create unsafe demand on the municipal water system.

Subject to review and change by the Winchester Board of Selectmen.

  
Eugene W. Clark, Chairman

  
Joseph S. Dominick, Sr.

BOARD OF SELECTMEN

April 6, 1983  
DATE

BOARD OF SELECTMEN  
TOWN OF WINCHESTER

## SELECTMEN'S REPORT

We are still wrestling with the problems created by the EPA mandate regarding the sewage problem in Ashuelot. The latest engineering studies indicate that we should pipe the sewage back up to our plant in Winchester. However, the costs involved are frightening. The Selectmen and Sewer Commissioners are looking for alternate means of controlling this problem.

Another situation confronting the town is the problem of solid waste disposal. We have apparently succeeded in keeping the regional landfill out of Winchester where we were in danger of having the Ashuelot river polluted. The state is pressuring for the closing of all landfills as they presently exist. We have several monitoring wells at our landfill site and the trouble at present. We are, however, looking to the future when we may be forced to close it down. We have a committee which is studying alternative methods of waste disposal. We are looking toward developing a recycling system which would take care of a percentage of our waste. We are also looking toward incineration with the possibility of forming a coalition with some of our neighboring towns in this endeavor. This will require the cooperation of all citizens since, in the beginning, there will be some inconveniences, but experience has shown that once the system is in place and operating it soon becomes a "second nature" situation.

On March 10, 1988 Winchester was chosen "Conservation Community of the Year" in recognition of our using our regional landfill problem as a learning experience for the young people.

On April 2, 1988 the town received an award from the Governor in recognition of outstanding work by our Community Development Office.

We have completed most of the work on the town hall. We have a completely new slate roof and, with the new flashing in place, we believe we have eliminated any more water problems. We have met all the fire marshal's requirements as to new electric wiring, new heating system and new, enlarged back stairs. We have redone the interior walls with sheet rock replacing the old lath and plaster which was in bad state of deterioration. We expect to have the floor finished in time for Town meeting. We hope all citizens will come in and inspect your "new" town hall. We feel that Winchester has the finest town hall of any small community in the town hall for their functions. One cannot help but think back to the time when the town hall was always busy with some event...plays, musicals, dance ect.

Our new computer is in place and we are gradually "loading in" our town records. This will result in a saving of time and a diminution of errors.

The Selectmen would like to thank all department heads and employees for their dedication and cooperation throughout the year. We especially would like to thank the public for their cooperation.  
Winchester is on the way up!!!

Eugene W. Clark, Chairman

Joseph S. Dominick, Sr.

BOARD OF SELECTMEN  
TOWN OF WINCHESTER

TOWN MEETING WARRANT

TOWN OF WINCHESTER

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF WINCHESTER, IN THE COUNTY OF CHESHIRE IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday, the 10th day of May next, 1988, at nine of the clock in the forenoon to act upon the following subjects. The polls not to close at an earlier hour than six of the clock in the afternoon.

Article 1. To choose all necessary Town Officers for the ensuing year.

Article 2. Are you in favor of adoption of Amendment 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article II (Districts) to add the Forest Lake Residential District which, unless otherwise indicated on the Zoning Map, shall be an area 1,000 feet back from each side of Forest Lake Road, beginning at Route 10 and extending around Headland Road, and Melvin Bridge Road from Route 10 to the Ashuelot River?

Article 3. Are you in favor of adoption of Amendment 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article III (General Provisions) to allow the Planning Board to establish annually the fee for building permits?

Article 4. Are you in favor of adoption of Amendment 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article III (General Provisions) to require State septic system construction approval or a "Certificate of Availability" from the Winchester Board of Sewer Commissioners before a building permit or permit to park a mobile home shall be issued?

Article 5. Are you in favor of adoption of Amendment 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article III (General Provisions) by the clarifying where a one single-family detached dwelling may be permitted and by establishing lot size and density requirements as follows?

a. Duplex units where permitted increase lot size by 50% over the lot size required for a single-family unit.

b. Multi-family units:

(1) In areas served by sewer and water:  
Minimum lot size - 40,000 square feet.  
Minimum lot area per dwelling unit: 10,000 square feet.

(2) In areas not served by sewer and water:  
Minimum lot size - 80,000 square feet.  
Minimum lot area per dwelling unit: 20,000 square feet.

c. Conversion apartments:

Minimum lot area per dwelling unit: 10,000 square feet.  
Maximum number of conversion units per residential structure shall not exceed six units.

Article 6. Are you in favor of adoption of Amendment 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend Article III (General Provisions) to establish the following standards and conditions for conversion apartments?

- a. Each dwelling unit shall have separate and complete kitchen and bathroom facilities.
- b. Each dwelling unit shall have a minimum of 400 square feet of livable floor area.
- c. There shall be no exterior alteration of the structure except to provide for separate entrances.
- d. Each unit shall have a safe and proper means of ingress and egress.
- e. The residence to be converted must be owner occupied and more than 20 years old as of the effective date of this ordinance.
- f. Each conversion apartment shall have two (2) off-street parking spaces.

Article 7. Are you in favor of adoption of Amendment 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend Article V:B (Residential District Uses) to decrease lot size from 30,000 square feet to 15,000 square feet while retaining same frontage and depth requirements and establish 30 foot right-of-way and 10 foot property line setback requirements?

Article 8. Are you in favor of adoption of Amendment 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend the Zoning Ordinance to conform to State law by deleting the words "mobile homes" and substituting "manufactured housing" and adopt State definition as defined in RSA 674:31 for manufactured housing?

Article 9. Are you in favor of adoption of Amendment 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend Article XII (Board of Adjustment) to further define and clarify the power and authority of the Zoning Board of Adjustment in accordance with State law?

- Article 10. Are you in favor of adoption of Amendment 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend the Zoning Ordinance, by adding as Article XV, to establish standards and rules for Planned Residential Development which will be permitted only in the Residential and Agricultural Districts?
- Article 11. Are you in favor of adoption of Amendment 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend to allow for adoption of definitions of "multi-family housing", "residential conversion units", "single-family detached", "single-family attached", "townhouse (row dwelling)", "two-family (duplex)", "low rise or garden apartment buildings", "quadraplex", "manufactured housing lot", "motel", "rooming house", and "bed and breakfast establishments"?
- Article 12. Are you in favor of adoption of Amendment 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend the current Zoning Map by: Including the Forest Lake Residential District, extend the Commercial District in a 500 foot strip along the west side of Route 10 from the intersection of Mechanic Street to 1,000 feet south of the Melvin Bridge Road, expand the Commercial District along Warwick Road to Beaman Lumber Company, and rezone the land for commercial use between the railroad right-of-way and the Ashuelot River that is southwesterly of Route 119 (Tax Map 5, Lots 77, 79, 84 and 23)?
- Article 13. Are you in favor of adoption of Amendment 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend the current Building Code by adopting by reference as permitted by RSA 674:53 the Basic Building Code (BOCA) as amended, Fire Prevention Code as amended, and the Life Safety Code as amended?
- Article 14. Are you in favor of adoption of Amendment 13 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
Amend the Table of Use to allow for the addition of the Forest Lake Residential District and Planned Residential Developments?
- Article 15. Are you in favor of adoption of Amendment 14 as proposed by a petition article but recommended by the Planning Board as follows:  
To change the current zoning district of Tax Map 5 Lot 79 from residential to commercial, and to amend the official Town Map accordingly?
- Article 16. Shall we adopt the provisions of RSA 654:34-a permitting applications for changes in party affiliation to be made with the Town Clerk?
- Also you are notified to meet at the Town Hall in said Winchester on Wednesday, the 11th day of May next, 1988, at seven of the clock in the afternoon to act upon the following subjects.
- Article 17. To receive reports of the Selectmen, Town Treasurer, and other Town Officers including Agents and Committees, and act thereon.

Article 18. To see if the Town will vote to raise and appropriate a sum of Three Million Eighty-Four Thousand Dollars (\$3,084,000.) plus interest earned on invested funds, for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed One Million Ninty-One Thousand Seven Hundred Dollars (\$1,091,700.) under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Winchester, and to allow the Selectmen to accept and expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.), or any other sources, and pass any vote relating thereto. The project will not be undertaken if Federal, State and any other sources of funding are not available. This requires a two-thirds ballot vote.

Inserted by Board of Selectmen

Article 26. To see if the Town will vote to adopt the following ordinance:

DRUG PARAPHERNALIA ORDINANCE

The Town of Winchester ordains:

Section 1: Definitions:

A. The term "drug paraphernalia" means all equipment, products and materials of any kind which are used, intended for use, or designed for use, in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation on N.H. RSA 318-B. It includes, but is not limited to:

1. Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing, or harvesting of any species of any plant which is a controlled substance or from which a controlled substance can be derived.
2. Kits used, intended for use, or designed for use in manufacturing, compounding, converting, producing, processing, or preparing controlled substances.
3. Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance.
4. Testing equipment used, intended for use, or designed for use in identifying or in analyzing the strength, effectiveness or purity of controlled substances.
5. Scales and balances used, intended for use, or designed for use in weighing or measuring controlled substances.
6. Diluents and adulterants, such as quinine, hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use, or designed for use in cutting controlled substances.
7. Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from, or in otherwise cleaning or refining marijuana.
8. Blenders, bowls, containers, spoons and mixing devices used, intended for use, or designed for use in compounding controlled substances.
9. Capsules, balloons, envelopes and other containers used, intended for use, or designed for use in packaging small quantities of controlled substances.
10. Containers and other objects used, intended for use or designed for use in storing or concealing controlled substances.
11. Hypodermic syringes, needles and other objects used, intended for use, or designed for use in parenterally injected controlled substances into the human body.
12. Objects used, intended for use, or designed for use in ingesting, inhaling, or otherwise introducing marijuana, cocaine, hashish or hashish oil into the human body such as:
  - a) Metal, wooden, acrylic, glass, stone, plastic or ceramic pipes with or without screens, permanent screens hashish heads, or punctured metal bowls.

- b) Water pipes.
- c) Carburetion tubes and devices.
- d) Smoking and carburetion masks.
- e) Roach clips: meaning objects used to hold burning materials such as marijuana cigarette that has become too small or too short to be held in the hand.
- f) Miniature cocaine spoons and cocaine vials.
- g) Chamber pipes.
- h) Carburetor pipes.
- i) Electric pipes.
- j) Air-driven pipes.
- k) Chillums.
- l) Bongs.
- m) Ice pipes or chillers.

B. In determining whether an object is drug paraphernalia, a court or other authority should consider, in addition to all other logically relevant factors, the following:

- 1. Statements by an owner or by anyone in control of the object concerning its use.
- 2. Prior convictions, if any, of an owner or of anyone in control of the object under any State or Federal law relating to any controlled substances.
- 3. The proximity of the object, in time and space, to a direct violation of RSA 318-B.
- 4. The proximity of the object to controlled substances.
- 5. The existence of any residue of controlled substances on the object.
- 6. Direct or circumstantial evidence of the intent of the owner, or of anyone in control of the object, to deliver it to persons who he knows, or should reasonably know, intended to use the object to facilitate a violation of RSA 318-B; the innocence of an owner, or of anyone in control of the object as to a direct violation of RSA 318-B should not prevent a finding that the object is intended for use, or designed for use as drug paraphernalia.

7. Instructions, oral or written, provided with the object concerning its use.
8. Descriptive materials accompanying the object which explain or depict its use.
9. National and local advertising concerning its use.
10. The manner in which the object is displayed for sale.
11. Direct or circumstantial<sup>4</sup> evidence of the ratio of sales of the object(s) to the total sales of the business enterprise.
12. The existence and scope of legitimate uses for the object in the community.
13. Expert testimony concerning its use.

Section 2. Offenses and Penalties:

A. Possession of Drug Paraphernalia: It is unlawful for any person to use, or to possess with intent to use, drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body controlled substances in violation of RSA 318-B. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.), no portion of which may be suspended.

B. Manufacture or Delivery of Drug Paraphernalia: It is unlawful for any person to deliver, possess, with intent to deliver, or manufacture with intent to deliver, drug paraphernalia, knowing, or under circumstances where one reasonably should know, that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance in violation of RSA 318-B. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.), no portion of which may be suspended.

C. Delivery of Drug Paraphernalia to a Minor: Any person eighteen (18) years of age or over who violates Chapter 31, Section 2.3., by delivering drug paraphernalia to a person under eighteen (18) years of age who is at least three (3) years his junior shall be guilty of a special violation and shall be subject to a fine of One Hundred Dollars (\$100.), no portion of which may be suspended.

D. Advertisement of Drug Paraphernalia: It is unlawful for any person to place in any newspaper, magazine, handbill, or other publication any advertisement, knowing or under circumstances where one reasonably should know, that the purpose of the advertisement, in whole or in part, is to promote the sale of objects designed or intended for use as drug paraphernalia. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.), no portion of which may be suspended.

Section 3. Violations which occur within the property lines of the Winchester School District shall be punishable by twice the maximum fine authorized under Section 2 (Offenses and Penalties), no portion of which may be suspended.

Section 4. Severability: If any provision of this Chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Chapter which can be given effect without the invalid provision or application and to this end the provisions of this Chapter are severable.

Section 5. Effective Date: This ordinance shall take effect upon passage and publication of public notice as required by RSA 47:18.

Section 6. Repealer: All ordinances or parts of ordinances which are inconsistent herewith are hereby repealed.

## AUDITORS' OPINION

Board of Selectmen  
Town of Winchester, New Hampshire

We have examined the general purpose financial statements of the Town of Winchester, New Hampshire, as of and for the year ended June 30, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

The general purpose financial statements referred to above do not include financial statements of the general fixed assets account group, which should be included to conform with generally accepted accounting principles. The amount which should be recorded in the general fixed assets account group is not known.

As described in Note 2, the Town has recognized tax revenues of \$83,106 in its General Fund which do not meet the sixty day received in cash requirements of the Governmental Accounting Standards Board. The Town believes, and we concur that application of this accounting principle which would reduce General Fund Balance from \$293,124 to \$210,018, gives a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the financial statements of the omission described in the second paragraph, the general purpose financial statements referred to above present fairly the financial position of the Town of Winchester, New Hampshire, at June 30, 1987, and the results of its operations and changes in financial position of its non-expendable trust funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules are not a required part of the general purpose financial statements of the Town of Winchester, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

*Carey, Vachon & Clukay, PC*

TOWN OF WINCHESTER, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

June 30, 1987

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Winchester, New Hampshire conform to generally accepted accounting principles for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

A. Basis of Presentation - Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance/retained earnings, revenues, and expenditures/expenses. The various funds are summarized by type in the financial statements. The following fund types and account groups are used by the Town:

Governmental Fund Types

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The following are the Town's governmental fund types.

General Fund - The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for specific restricted revenues and expenditures. The Town accounts for the following funds in its Special Revenue Funds:

Water and Sewer Department Funds  
Federal Revenue Sharing Fund  
Community Development Fund  
Conant and Thayer Library Funds

## Governmental Fund Types (Continued)

Capital Projects Funds - Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities. The Town accounts for the Sewer Construction Fund and the Sewer Main Extension Fund as Capital Projects Funds.

## Fiduciary Fund Types

Fiduciary Funds are used to account for assets held by the Town in a trustee capacity or as an agent for individuals, private organizations, and other governmental units, and/or other funds.

Trust Funds - Non-expendable Trust Funds are accounted for and reported on an income determination format because capital maintenance is required by law. Receipts and expenditures of each fund are governed by statutes, local law, or the terms of the gift.

Agency Funds - The Town collects taxes for the Winchester School District and Cheshire County, both independent governmental units, which are remitted to them as required by law. These funds are accounted for as agency funds.

## Account Groups

General Long-Term Debt Account Group - This group is used to account for the outstanding principal balances of general obligation bonds and notes.

General Fixed Asset Account Group - The Town does not record the acquisition of fixed assets in the General Fixed Asset Account Group, as required by generally accepted accounting principles. Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the

expenditure. Funds used to acquire general fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made.

## B. Basis of Accounting

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the Town, therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

Licenses and permits, charges for services, and miscellaneous revenues (except investment earnings) are recorded as revenues when received in cash because they are generally not measurable until actually received.

Investment earnings are recorded as earned, since they are measurable and available.

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets, and service debt. The accompanying governmental and similar trust funds financial statements reflect such transactions as transfers.

### C. Cash and Investments

The Town's investment policy for Governmental Fund Types requires that deposits and investments be made in New Hampshire based financial institutions that are insured by the Federal Deposit Insurance Corporation and the Federal Savings & Loan Insurance Corporation. The Town limits its deposits to money market investment accounts and certificates of deposit in accordance with New Hampshire State law (RSA 41:29). Investments for Non-expendable Trust Funds are at the discretion of the Board of Trustees. At year end, the carrying amount of the Town's deposits was \$1,284,313 and the bank balance was \$1,187,301. Of the bank balance, \$261,458 was covered by federal depository insurance and \$925,843 was uninsured and uncollateralized.

Investments outstanding at year end are owned entirely by the Non-expendable Trust Funds and include investments classified by credit risk as uninsured or unregistered for which the securities are held by the financial institution's trust department or agent in the Town's name. These investments consist of the following types:

<u>Investment</u>	<u>Carrying Value</u>	<u>Market Value</u>
U.S. Government Obligations	\$19,940	\$31,426
Corporate Stocks	381,129	612,731
Corporate Bonds	34,857	35,092
Mutual Funds	131,610	129,145
	-----	-----
	\$567,536	\$808,394
	=====	=====

**D. Retirement Plan**

Full-time members of the Police Department are participants in the New Hampshire Retirement System, which is a multi-employer defined benefit pension plan. The plan requires that both employees and the Town contribute to the plan and provides retirement, disability, and death benefits. Employees become eligible for normal retirement upon attaining age sixty and early retirement after reaching age fifty-five, provided they have accumulated ten years of creditable service. The Town's contribution for the year was \$4,276.

As of June 30, 1987, the unfunded accrued liability is not material. Actuarially determined vested and non-vested benefits are not available.

**E. Accrued Vacation and Sick Leave**

The Town does not accrue vested accumulated unpaid vacation or sick leave, as required by generally accepted accounting principals. The Town provides for these expenses on a "pay as you" go basis. Amounts for unpaid sick or vacation pay are not material to the financial statements.

**F. Total Columns on Combined Financial Statements**

Total columns on the combined financial statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. The data is not comparable to a consolidation and interfund eliminations have not been made in the aggregation of the data.

**NOTE 2--PROPERTY TAXES**

The Town's property taxes were levied November 1 on the assessed value of all taxable real property listed as of the prior April 1 (\$47,375,574 as of April 1, 1986) for all real property located within the Town.

Taxes are due in two installments, on July 1 and December 1. Unpaid taxes after the due date accrue interest at 12% per annum. As prescribed by State law, the Tax Collector shall offer properties which are unpaid in the following year after taxes are due for the amount of unpaid taxes, interest and cost. The purchaser at tax sale receives a priority tax lien on these properties and accrues interest at 18% per annum. If the property is not redeemed within a two year redemption period, the property is tax deeded to the lien holder.

The Town has accrued taxes of \$83,106 in the General Fund which do not met the susceptible to accrual criteria of generally accepted accounting principals. The effect of not recognizing the tax receivables would result in a reduction of unrestricted fund balance from \$293,124 to \$210,018. This would give the user of these financial statements a misleading impression of the Town's ability to meet its current and future obligations.

Under existing State laws, the Town will either receive full payment or acquire legal ownership of property in lieu of payment in 1989. Prior history indicates that a substantial portion of overdue taxes are paid before this date.

#### **NOTE 3--BUDGET**

The Town budget represents departmental appropriations as authorized by annual or special Town meetings. Funds may be transferred between operating categories.

#### **NOTE 4--CONTINUING APPROPRIATIONS**

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year in which they supplement the budget of that year. At year end, continuing appropriations are reported as a component of fund balance and are as follows:

General Fund:	
Town Hall Renovations	\$38,557
Town Hall Steps	1,187
Conant Library Handicapped Access	10,000
Microfilm Town Records	1,500
Promotional Brochure	1,000
Revaluations	362
Highway Subsidy	14,296
	-----
Total General Fund	\$66,902
	=====

#### NOTE 5--LONG-TERM DEBT

The following is a summary of debt transactions for the Town for the year ended June 30, 1987:

Bonds payable at July 1, 1986	\$777,000
Bonds Issued	125,000
Bonds Retired	(36,000)
	-----
Bonds payable at June 30, 1987	\$866,000
	=====

Bonds payable at June 30, 1987, are comprised of the following individual issues. Under State law, all amounts were incurred as general obligation debt.

\$993,000 Waste Water Treatment Facilities due to Farmer's Home Administration in annual installments of \$36,000 until 1992 and \$35,000 thereafter until June 30, 2007; interest payable semi-annually at the rate of 5% per annum	\$741,000
--	-----------

\$125,000 Town Hall Improvements due to First Cheshire Bank in annual installments of \$25,000 until July 18, 1991; interest payable semi-annually at the rate of 5.7% per annum	125,000
	-----
	\$866,000
	=====

The annual requirements to amortize all debt outstanding as of June 30, 1987, including interest payments of \$401,025 are as follows:

Year Ending June 30, -----	Total -----
1988	\$102,850
1989	99,625
1990	96,400
1991	93,175
1992	89,950
1993-1997	294,150
1998-2002	249,375
2003-2007	205,625
2008	35,875
	-----
	\$1,267,025
	=====

#### NOTE 6--INTERFUND BALANCES

Fund ----	Interfund Receivables -----	Interfund Payables -----
General Fund	\$11,453	
Special Revenue Funds:		
Conant Library Fund	1,481	\$1,532
Water Department Fund		1,796
Sewer Department Fund		2,530
Community Development Fund		5,595
Trust and Agency Funds:		
Non-expendable Trust Funds		1,481
	-----	-----
Total	\$12,934	\$12,934
	=====	=====

#### NOTE 7--NON-EXPENDABLE TRUST FUNDS

The principal amounts of all Non-expendable Trust Funds are restricted in that only income earned may be expended. Principal and income balances at June 30, 1987, were as follows:

	Principal	Income	Total
	-----	-----	-----
Town Funds:			
Cemeteries	\$248,592	\$60,868	\$309,460
Conant Library	143,099		143,099
George Everitt	1,294		1,294
Harvey Jewell	4,469		4,469
Gardner C. Hill	827		827
Philip A. Plaistridge	26,232		26,232
Tarbell	713		713
Glenroy W. Scott	15,047	7,127	22,174
Town Beach	50,661		50,661
Community Park	2,462		2,462
School District Funds:			
Julia B. Thayer	3,285		3,285
Mary G. Stearns	1,379		1,379
	-----	-----	-----
	\$498,060	\$67,995	\$566,055
	=====	=====	=====

#### NOTE 8--DEFERRED TAX REVENUE

Deferred tax revenues at June 30, 1987 are comprised of the following:

Semi-annual tax warrants due July 1, 1987	\$947,045
1987 Resident taxes	24,910
	-----
	\$971,955
	=====

#### NOTE 9--SUBSEQUENT EVENT

The Town has authorized but unissued long-term debt of \$150,000 for an engineering design study for the Ashuelot sewer project and \$50,000 for Town Hall roof repairs as authorized at the Town Meeting held on May 16, 1987.

#### **NOTE 10--CONTINGENT LIABILITIES**

The Town participates in a number of federally assisted grant programs. These programs are subject to financial and compliance audits by the grantors or their representatives. The amounts, if any, of expenditures which may be disallowed by the granting agency cannot be determined at this time, although the Town expects such amounts, if any, to be immaterial.

#### **NOTE 11--LITIGATION**

The Town's general counsel estimates that any potential claims against the Town which are not covered by insurance are immaterial and would not affect the financial position of the Town.

## CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

DATE: 8-26-87

Selectmen

*Ernest W. Clark*  
*Joseph D. Minichello*  
*Lucy E. Cushman*

## GENERAL INSTRUCTIONS

Three copies of this report are sent to each town. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When made out, one copy should be returned to the Department of Revenue Administration and one copy should be placed on file among the town records. The third copy is for use in preparing the annual printed report for the voters.

### WHEN TO FILE: (R.S.A. 21-J)

1. For towns reporting on a calendar year basis, this report must be filed on or before March 1st, 1987.
2. For towns reporting on an optional fiscal year basis (fiscal year ending June 30, 1987), this report must be filed on or before September 1st, 1987.

### WHERE TO FILE

Department of Revenue Administration  
State of New Hampshire  
Municipal Services Division

TOWN BEACH REPORT  
JULY 1986 - JUNE 1987

We concluded a very successful year again without any mishaps or accidents. Our two lifeguards, Trevor and Jennifer, gave us excellent supervision.

Improvements were made by Richard Stetson and the Town Highway Department including the new asphalt road and new metal guard fencing which is greatly appreciated and also unexpected.

The Concession Building has new window blinds (outside) and new screen doors, new chairs and tables, new window curtains, a new gas stove, a new refrigerator, and a new coffee urn.

Sand was brought in by Richard Secord to cover our eroded beach which he leveled off also. The work and sand was a donation from Richard Secord to the Town Beach Committee.

Sugar maple trees have been planted for summer shade purposes. The loam was furnished by Terrence Qualters and the work was donated by Gilbert and Margaret Conant, John Secord, Doris and George Jutras. Shrubbery has also been added and the picnic tables have been repaired and painted, the lifeguard's chair renovated and a new ladder for the chair was built.

The Forest Lake Improvement Association held their regatta at Forest Lake for the first time in many years. It was well managed. It included a band for dancing, hired by Mr. Max Szetella for the occasion. Other events included boat parades on the water (each one very unique), fireworks, foods and drinks, booths, bingo games and watermelon races. This event took place at Forest Lake last July 25th and it will be held again in 1988 on July 23rd. It was such a great success, such an enjoyable time, that everyone voted to have it again.

I wish to thank everyone who patronized the Beach and we will continue to try to make it pleasant for you.

Doris Jutras, Chairman  
Town Beach Committee

New books added during year--951

As time passes, demands for change present themselves. This year the need for office space for the First Assistant Librarian became evident. Dot does all of the Classification and Cataloging of books and needed more space away from the general public to do this. After much thought and planning by the staff it was decided to move the bathroom to a vacant room off the Reference Room. Both rooms were then refinished, some new equipment purchased and now both rooms are working to everyone's advantage.

A new H. B. Smith furnace was installed during the summer. The old General Electric had served us well over many years, had seen at least one flood and parts had become unavailable.

In October, a Mr. Owen Farwell of Shorling, England, came to present us with a Winchester Rose in memory of his parents, John and Kate Farwell. This is a 3½ inch rose carved in a piece of oak which was removed from the nave of Winchester Cathedral when it was refurbished many years ago. A gathering of Town Officials and interested friends met in the Reference Room for the presentation and friendly conversation. Refreshments were served.

A gift of money was received from Mr. & Mrs. Bernard Jennings of Patten, Maine, in memory of his mother Mrs. Mabel Brown. With this we purchased a revolving dictionary stand for the Reference Room. We then purchased a new edition of Webster's Dictionary and Bartlett's Quotations for this stand which can be found on the Reading table. Many, many thanks to Bernard and Emily.

An 1986 edition of the Encyclopedia Britannica was also purchased for the Reference Room. It is a little harder to use than the older edition but many areas have been updated.

A gift of three census microfilms were given to our microfilm collection. 1850, 1860 and 1870 are now available for viewing. Thank-you Carol Daugherty. Carol has also made up indexes for these films for quick reference.

My Second Assistant, Jennie Lu Hill, has been responsible for all of the eye-catching displays that you have seen in the Library. Many diverse subjects have made up these displays of books, map and pictures accompanied by an attractive poster.

In April I filled out a form, entering us in a nationwide program to establish a Constitutional Bookshelf. This was sponsored by the National Endowment of the Humanities. As Winchester had been declared a Bicentennial town, we felt that we had a good chance of winning a \$500.00 matching grant with which to purchase books relative to the U.S. Constitution. We were one of twelve libraries in New Hampshire to receive this grant. To fulfill our obligations in raising the matching \$500.00, businesses and several individuals were contacted for donations. The books, including a 4-Vol. Encyclopedia of the U.S. Constitution, were purchased and are now available for borrowing. Mr. Frank Amarosa made a scroll entitled "We the People", listing all of the donors. My sincere thanks go to all of the people who helped to make this project a success.

I hope everyone noticed that our lovely tree was lighted at Christmas time. Many thanks to Terry Qualters and Cliff Struthers.

We are now open all day from 10 AM. to 8 PM. Monday, Wednesday and Friday.

Edith W. Atkins, Librarian

THAYER LIBRARY, ASHUELOT, N.H.

## DIRECTOR'S ANNUAL REPORT

1987

It is difficult to say exactly how many citizens of Winchester benefit from the E.L.M. Community Center. An estimate can be arrived at by adding the average attendance at each activity during a given month. This was done for the month of January, 1988. The 24 activities involved approximately 854 adults and 1160 young people. (Please see the chart below.) Also listed are 26 other activities and programs which are a part of your Community Center at one time or another, during the year. We can honestly say the Center is "The Center of Attractions".

### NUMBER OF PERSONS USING THE E.L.M. COMMUNITY CENTER FACILITIES JANUARY 1988:

	# ADULTS	# YOUTH
Junior Rifle Club	18	135
Snowmobile Club	50	12
Girl Scout Leaders	4	--
E.L.M. Trustee meeting	15	--
Parent Education Gp.	50	--
Arcades	13	440
Open Bowling	67	245
Two Ladies Leagues	117	--
One Teen League	4	60
One Men's League	80	--
Winning Weighs	60	--
4-H Club	3	12
Karate Classes	25	20
Brownies	16	120
Girl Scouts	12	52
Cadet Scouts	8	20
Boy Scouts	4	44
Senior Citizens	25	--
Senior Rifle Club	120	--
Ceramics	80	--
Women's Club	30	--
Pistol Club	28	--
Mineral Club	25	--

TOTALS: 854 1160

GRAND TOTAL FOR  
THE MONTH: 2,014

"THE CENTER OF ATTRACTIONS"

Pee Wee & Little Leagues  
Boy Scout Pancake Breakfasts  
Dances (Adult and Youth)  
Auctions  
A.M.C. overnights  
Easter Egg Hunt  
Project 239 (Ride/Share Program)

One big part of the programing is the summer Day Camp. In 1986 we averaged 30 campers each day for four weeks. In 1987 we averaged 43 campers each day for six weeks. Some of the activities offered at day camp were: swimming, arts and crafts, tennis, archery, ceramics, bingo, bowling, table games, field games, cooking, movies and a field trip. There were 17 volunteers who gave over \$5,000. worth of their time to help make the program a success.

The Flea Market's third season was profitable for all concerned. This is one of our biggest fund raisers each year and we thank one and all for supporting them.

A big expense at the Center is maintenance. Although cement for the floor under the auditorium was donated, we still had to cement the walls to support the foundation in early 1987. In May we installed two new gas stoves in the kitchen to relpace the old unit. We purchased 52 new folding chairs this year. The front of the main house is illuminated each night thanks to the efforts of a former trustee - David Webb. The trustees voted in the fall to replace the two old furnaces under the auditorium and alleys with one new unit to heat the entire building using four heating zones. Al Fauteux repaired the roof on the back side of the auditorium where it connects with the kitchen, in November. The auditorium floor was sanded and refinished during the summer. In December a porch was built over the back steps to the Senior Citizen's room. Many thanks to Skip Avery for donating time and materials to get this project underway.

As usual, there are still major repairs needing attention in the coming months-

- the fire escape off the stage is in dire need of repair
- the auditorium and alleys need exterior painting
- renovation of the cellar to move arcades downstairs
- fix restrooms to accomodate the handicapped.

The United Church gave us a piano, which is locked up on the stage in the auditorium. It is available to groups using the hall, upon request.

To encourage Winchester citizens to use the Community Center for rentals, the Board of Trustees have lowered our rental fees. Please feel free to call the Center for rental information--or for setting up a meeting for your group.

SUMMARY OF DIRECTOR'S TIME (1987 versus 1986)

	1987	1986
Office/Administration	36.25 %	31.50 %
Programing/Youth	24.25 %	19.70 %
Maintenance	17.25 %	20.00 %
Meetings	7.50 %	5.00 %
Public Relations	5.00 %	4.00 %
Flea Market	3.75 %	4.50 %
Green Thumb	3.75 %	2.50 %
Programing/Adult	1.75 %	1.60 %
Christmas Bazaar	.50 %	--

If you have any suggestions for the Community Center, your ideas are welcomed. As always, the door to the office is open, or the phone recorder is on, at 239-4316. Let us hear from you.

Respectfully submitted,

*Arthur H. Howes*

Arthur H. Howes, Director

TOWN OF WINCHESTER  
JULY 1, 1987 - DECEMBER 31, 1987  
HOME HEALTH CARE AND COMMUNITY SERVICES

ANNUAL REPORT

Home Health Care and Community Services continued to provide home care and community services to the residents of Winchester. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, County funding, grants, and patient fees. Services that could not be covered by other funding have been supported by your town.

The following information represents Home Health Care and Community Services' activities in your community for July 1, 1987 - December 31, 1987.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>	<u>SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN</u>
Skilled Nursing	234 visits	49 visits
Maintenance Nursing	75 visits	69 visits
Adult Health Nursing	0 visits	0 visits
Child Health Nursing	11 visits	11 visits
Bereavement Support	0 visits	0 visits
Home Birth Registration	0 visits	0 visits
Office Visits	0 visits	0 visits
Nursing Assessments	10 visits	10 visits
Physical Therapy	26 visits	0 visits
Speech Therapy	0 visits	0 visits
Occupational Therapy	2 visits	0 visits
Homemaker	271 hours	18½ hours
Home Health Aide	216 visits	159 visits
Medical Social Worker	0 visits	0 visits
Nutritionist	7 visits	7 visits
Meals-on-Wheels	3879 meals	3879 meals

Total unduplicated residents served: 103

In addition to the above listed activities, weekly nurse consultation hours, regularly scheduled blood pressure clinics, child health clinics, and other services were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of services provided from July 1, 1987 - December 31, 1987 is \$44,744.

The total cost of services provided for a partial fee, or at no cost to residents from July 1, 1987 - December 31, 1987 is \$13,032.00, and \$1,939.50 for meals on wheels.

We recommend an appropriation of \$31,070.00 for the year if you wish to continue home care services at the current level. We also recommend an appropriation of \$3,687 for the year for the meals-on-wheels program. Thank you for your consideration.

WINCHESTER POLICE DEPARTMENT  
ANNUAL REPORT - 1987

This year I am writing my eighth report as Police Chief of our fine Town. I have had the opportunity to guide the Law Enforcement Effort in our community through almost all of the 1980's, when the burden on our Department has been complicated by changing demands and ever changing laws.

Again, as in the past reports, our streets are safe, our homes are still among the safest in the State, with only a small number of burglaries to report this past year. Our Police Department along with the rest of our Emergency Services, including Fire and Ambulance, have handled the increased activity which can be attributed to growth and increased population in a professional manner over this reporting period.

Our Town the largest area-wise in southern New Hampshire, with 55 square miles, has seen development on nearly all our back roads during the last couple of years. This demands increased patrol time and increased personnel in our Police Department. We are at the present time, working on more active cases from minor violations to serious felonies than at any time in our past.

Increased training of our Officers has enabled us to do the investigations into cases involving murder, sexual assaults and major drug investigations, working closely with County and State Police Agencies. This close cooperation gives the Taxpayers of Winchester the best return on their tax dollar and the results have been noteworthy.

Juvenile delinquency remains a major time consuming problem in our Town. Our Officers are constantly working to assist the schools and parents in assisting children with many different problems, directing them to get back on the right track to a more productive life. We are working closely with State Agencies and Counseling Agencies to accomplish this task.

Our Department is in Keene District Court more than ever before prosecuting those who commit crimes against the citizens of Winchester.

Traffic safety is an ongoing priority of our Department. Although accidents have seen an increase, due to increased traffic on all our roads, major injuries were not as high as they have been in past years and I am pleased to report that no one was killed on Winchester highways during 1987.

Funding by Taxpayers of our aggressive D.W.I. Patrol and Traffic Safety Patrols has lent to this fatal-free year another noteworthy accomplishment for our Town. Two years in a row is our present goal.

This year, all our Departments have worked closely together with a supportive Selectmen's Office and competent Administrative Assistant, to save as much money as possible for our taxpayers, in a time when tax increases are putting a burden on all of our property owners in Town, including ten Police Department personnel who own homes in our Town.

At the present time, we are putting more time into areas such as assisting parents with youth problems, drug and alcohol abuse and domestic violence. Sexual and physical abuse of children cases are being reported and investigated at an average rate of two a week by our Juvenile Officer. These time-consuming, sensitive cases are being handled in a professional manner and in the best interest of the youthful victim. Our policy is to keep the family unit together, with proper services from State Agencies whenever possible, but again, the safety of the child has to be our main concern.

Our Department has maintained a good working relationship with our businesses in Town, new and old, assisting them whenever possible.

We are fortunate to have the E.L.M. Community Center for our youth and it is being utilized more than ever with positive results, which can be measured by the decrease in juvenile crime on our streets. The Drop-In Center has saved my Department many hours of time which used to be spent on Main Street with juveniles "hanging around" with "nothing to do". Both the Board of Trustees and the Board of Incorporators of the Center should be supported.

In our country, where on an average, one of us is murdered every 28 minutes; there is a forcible rape every 6 minutes; a robbery every minute and a burglary every 10 seconds, our community has continued to meet the need for public awareness, cooperation and increased financial support of our law enforcement efforts. Many of our accomplishments are not seen by onlookers from outside of our Township but we have a right to be proud in Winchester of what we have done together.

  
James E. Harrison, Chief  
Winchester Police Department

WINCHESTER AMBULANCE DEPARTMENT

The period of July 1, 1986 to June 30, 1987 proved to be a busy time for the ambulance department. We responded to a total of 274 calls - 32 in Richmond, and 33 "no transport".

Our new chair stretcher purchased last year proved to be a very valuable tool. This enables us to go down stairs, around corners and through tight places with much less difficulty. It is already proving to be worth its cost and has been used on several calls.

The State of New Hampshire is constantly upgrading the requirements of the ambulance attendants and now requires a lot of time training just to keep certified. We recently added (2) EMT's bringing our total to 8, and have an additional (9) Advanced First Aiders. We need more personnel, and if you want to help, let us know and we'll get you pointed in the right direction to receive the necessary training.

It is interesting to note that the calls we are now responding to are of a more serious true emergency kind, and fewer are of less than emergency situations.

The Richmond Rescue Squad has joined us for training sessions and stands ready to assist us should the need arise for more personnel during a major crisis or just to help out during the day if our crew is not available. We appreciate this, especially since the Kidder Ambulance Service in Northfield is no longer in business. Small towns must help each other if services are to survive. We are very fortunate to have the mutual aid system here in Southern New Hampshire.

Again, we thank the townspeople of Winchester for their generous support. As people live longer, older citizens become larger in numbers and require fast medical attention if an emergency occurs. Thanks to your tax dollar, this help is available. Working together is what makes this town so special. The ambulance group will continue to **strive** to provide service - fast - efficient - courteous.

Respectfully submitted,

Walter Harrison, Chief

## ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hold hearings for appeals, special exceptions, and variances relating to the Zoning Ordinance. Hearings are held on the first Thursday of each month or at the call of the Chairman.

The following applications were received from July 1, 1986 to June 30, 1987:

- 866 Roman Catholic Bishop of Manchester, NH., variance to locate and operate P & P Precision Company, a turning and screw machine shop at St. Michaels' Hall in Ashuelot. Granted.
- 867 Burche Hodgman, variance to place mobile home on property located in residential zone. Denied.
- 867A Rehearing of case number 867. Granted.
- 867B second rehearing on case number 867. Denied.
- 868 Charles S. Partridge, variance to place mobile home on property in residential zone. Application withdrawn.
- 869 Randy Whitten, special exception to operate auto body repair shop and undercoating service on Warwick Road. Granted.
- 870 Dominick Mondello, variance to use land in residential zone in Ashuelot as a building lot with right of way access. No action taken.
- 871 Joseph Castor, special exception to renovate barn to one single family dwelling on Route 119 in Ashuelot. Denied.
- 872 Michael J. Pratt, special exception to construct multiple apartments on North Main Street. No action taken.
- 873 Mildred Doolan, special exception to add one bedroom apartment to apartment house on corner of Route 78 and Route 10. Granted.
- 874 Lynette Croteau, special exception to operate beauty shop in her home on Pudding Hill Road. Granted.
- 875 William B. Phillips III, special exception to operate radio controlled car race track and accessory sales shop on Manning Hill. Denied.
- 876 J.J.'s Restaurant/Gerald Cote, special exception to operate convenience store on Route 10. Granted.
- 876A Kevin Felton, variance to place mobile home on lot in residential zone. Denied.

- 877 Perkins Lumber, special exception to operate retail building materials business at old Railroad station and freight house on Elm Street. Granted.
- 878 Joseph Castor, special exception to renovate barn to single family dwelling on Route 119, Ashuelot. Granted.

Deborah G. Kaiser  
ZBA Recording Secretary

WINCHESTER SEWER DEPARTMENT

Fiscal Year Report 1986 - 1987

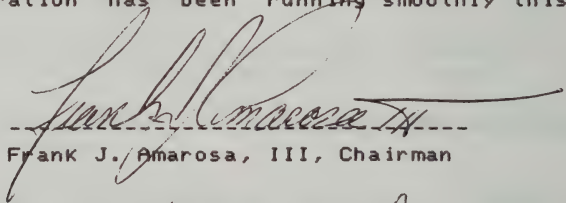

We've had some changes and have started a new project.

Our project is the Ashuelot Sewer Extention, which will enable 113 housing units to hook on to our existing system, approximately 4.5 miles of sewer lines. Hoyle and Tanner Associates have been doing the engineering study and doing the different phases necessary. This project should be in full operation by 1989.

For changes, we have a new Plant Operator, Arthur Bodreau and a full-time secretary, Judith Burgmeier. Our part-timers are Henri Audet and Philip Pratt. As a matter of fact, it was Phil who kept the plant running during our personnel changes with the help of Bob Johnson, and they did a fine job of it.

There is also a new format to follow for intended sewer users. A "Certificate of Availability", which must be obtained from the Board of Sewer Commissioners first before approaching the other Boards.

In all, plant operation has been running smoothly this past year.

## COMMUNITY DEVELOPMENT OFFICE

Town Hall  
Winchester, NH 03470  
603-239-6700

July 1, 1986 - June 30, 1987

During last year, the fourth year of the Town's community development effort, several community development goals were achieved. The Ashuelot Village Housing Renovation Project -- housing rehabilitation, sidewalk repairs, and E.L.M. Community Center improvements -- was completed. Community development staff finished the Community Development Block Grant funded economic development feasibility study and a report, "Winchester - A Unique Market Opportunity", prepared by Sandwich Research Associates, regarding commercial and business opportunities was printed and distributed to area financial institutions, real estate brokers, and business developers.

In addition, the Target Properties Project, the rehabilitation of large, dominant residential structures, was initiated during the fall of 1986. In April 1987 the Town was informed that it had been granted by the NH Office of State Planning a \$326,000 Community Development Block Grant for its Main Street Renovation Project. This project will provide financial assistance for Main Street facade improvements and apartment renovations and support rehabilitation to single-family homes in the Scotland Road area.

Finally, the Community Development Office, with the assistance of an architectural historian hired by the Winchester Renewal Corporation, successfully nominated the Town Hall and Conant Public Library to the National Register of Historic Places.

Respectfully submitted,

Vernon Jones, Chairman  
Community Development Citizens Advisory Committee

# LAWS RELATING TO TRUST FUNDS

R S A, Chapter 31

19. In General. Towns may take and hold in trust gifts, legacies and devises made to them for the establishment, maintenance and care of libraries, reading-rooms, schools and other educational facilities, parks, cemeteries and burial lots, the planning and care of shade and ornamental trees upon their highways and other public places, and for any other public purpose that is not foreign to their institution or incompatible with the objects of their organization.

19-a. Trust Funds Created by Towns. Towns may at any annual meeting grant and vote such sums of money as they deem necessary to create trust funds for the maintenance and care of libraries, reading rooms, schools and other educational facilities, parks, cemeteries and burial lots, the planning and care of shade and ornamental trees upon their highways and other public places, and any other public purpose that is not foreign to their institution or incompatible with the objects of their organization.

20. For Cemeteries. Towns shall take and hold in trust gifts, legacies and devises made to them for the care of cemeteries and burial lots when the terms of the gift, legacy or devise do not impose any liability upon the town beyond the amount of the gift, legacy or devise and the income thereof.

21. Funds of Cemetery Associations, etc. Towns may receive from cemetery associations or individuals funds for the care of cemeteries or any lot therein, and the income thereof shall be expended by the town in accordance with the terms of the trust or contract under which the funds were received.

22. Trustees. All such trusts shall be administered by a board of 3 trustees, unless a town at an annual or special town meeting votes that such trusts shall be administered by a board of 5 trustees. In towns with a board of 3 trustees, one trustee shall be elected by a ballot at each annual town meeting for a term of 3 years. In towns with a board of 5 trustees the 2 additional trustees shall be appointed initially by the selectmen, one for one year and one for 2 years. Thereafter all trustees shall be elected by ballot at the annual town meeting to replace those whose terms expire. The term of each trustee shall be 3 years. Vacancies shall be filled by the selectmen for the remainder of the term. In 3 trustees shall be chosen and hold their office for such term as shall be provided by ordinance. Trustees shall organize by electing one of their number bookkeeper, who shall keep the receipts and books for the trustees, and shall require a voucher before making any disbursement of funds from said trusts.

23-a. Cy Pres, Cemetery Trust Funds. Upon petition of a majority of the board of trustees and upon a finding that it is in the public interest, the superior court may direct the application of only accumulated excess trust income for the general care, capital improvements to or expansion of the cemetery relative to which the particular trust applies. The court shall determine from the terms of the particular trust whether the excess income accumulation of the particular burial lot trust fund will not be required for the care of the burial lot in the foreseeable future. In determining this requirement the court shall consider:

- I. The financial status of the trust account.
- II. A projection of future interest rates.
- III. A projection of future labor costs necessary to maintain the lot.

23. Single Trustee. A town wherein the total book value of trust funds is less than fifteen thousand dollars, acting under an appropriate article in the warrant for any annual town meeting, may vote that the board shall consist of one trustee only, in which case said trustee shall be chosen by ballot at the same and each succeeding annual town meeting; and such vote may be rescinded in like manner. All the duties and obligations imposed by law upon a board of trustees shall devolve upon the trustee so chosen; vacancies shall be filled by the selectmen for the remainder of the year; and said trustee shall receive from the town treasury such compensation as the town meeting may determine.

24. Trustees; Expenses. The expenses of trustees or the trustee provided for in RSA 31:23 shall be charged as incidental town charges.

25. Custody; Investments. The trustees shall have the custody of all trust funds held by their town. The funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company in this state, or in shares of any building and loan association or co-operative bank, incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association, located and doing business in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city, school district, water and sewer district bonds and the notes of towns or cities in this state; and such stocks and bonds as are legal for investment by New Hampshire savings banks and when so invested, the trustees shall not be liable for the loss thereof, and in any common trust fund established by the New Hampshire Charitable Fund in accordance with RSA 292:23. The trustees may retain investments as received from donors, until the maturity thereof.

25-a. Retention of Nonlegal Securities. Any security which at the time of its purchase under RSA 31:25 constituted a legal investment for New Hampshire savings banks under the laws and conditions then existing may be retained notwithstanding the fact that, because of changes in the law relating to legal investments or because of conditions arising subsequent to the purchase of such security, its purchase might not then be legal; provided, however, that no such security that is not a prudent investment under the circumstances existing at the time of its retention and thereafter shall be retained by the trustees, and provided further that the aggregate total of the market value of all securities retained under this section shall not exceed 20 percent of the total market value of all the investments held by the trustees.

25-b. Prudent Investment Defined. For purposes of RSA 31:25-a, a prudent investment is one which a prudent man would purchase for his own investment having primarily in view the preservation of the principal and the amount and regularity of the income to be derived therefrom.

25-c. Report to the Attorney General. The trustees shall report annually to the attorney general any securities retained under the provisions of RSA 31:25-a, which shall appear as an addendum to the annual report required to be filed under RSA 31:38.

26. Investments by Single Trustee. In towns, which have chosen a single trustee of trust funds such funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company in this state, or in shares of any building and loan association or co-operative bank incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association located and doing business in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city, school district, water and sewer district bonds and the notes of towns

or cities in this state and when so invested the trustee shall not be liable for the loss thereof, and in any common trust fund established by the New Hampshire Charitable Fund in accordance with RSA 292:23. The trustee may retain investments as received from donors until the maturity thereof.

27. Collective Investments. Notwithstanding any statute or rule of law to the contrary, town and city trustees of trust funds may establish, maintain and operate one or more common trust funds, in which may be committed money and property belonging to the various trusts in their care, for the purpose of facilitating investments, providing diversification and obtaining reasonable income; provided, however, that said common trust funds shall be limited to the investments authorized in section 25 of this chapter, provided further, that not more than ten thousand dollars, or more than ten percent of the fund whichever is greater, of any town or city common trust funds shall be invested under section 25 in the obligations of any one corporation or organization, excepting deposits in savings banks, or in the savings department of a national bank or trust company in this state, or in shares of any building and loan association or cooperative bank, incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association, located and doing business in this state, or in obligations of the United States and of the state of New Hampshire and its subdivisions; or in participation units of any common trust funds established by the New Hampshire Charitable Fund in accordance with RSA 292:23, and provided further, that the participating contributory interests of said trusts be properly evidenced by appropriate bookkeeping entries showing on an annual basis the capital contribution of and the profits and income allocable to each trust.

28. Exception. The provisions of section 27 shall not apply where the instrument creating the particular trust specifically prohibits collective investments or where such investment shall violate any specific court order made in any particular trust.

29. Contributions and Withdrawals. Contribution to any common trust fund shall be made on the basis of its market value at the time such contribution is recorded in the books of the trustees. The withdrawal of a particular trust fund from any common trust fund shall be made proportionately on the basis of the market value of said common trust fund at the time such withdrawal is recorded in the books of the trustees.

30. Liberal Construction of Provisions. The provisions of sections 25, 27, 29, and 30 of this chapter shall be construed liberally to effectuate the purposes stated in section 27.

31. Trust Funds for Districts. Except where otherwise specifically provided in the charter of a city or by special act of the legislature whenever a gift, legacy or devise shall be made in trust to a school district, village district or any subdivision of a town and accepted by or on behalf of such district, village or subdivision, the same shall be held in custody and administered by the trustees of trust funds of such town or in case of districts embracing two or more towns by the trustees of trust funds of that town which the voters of said district may elect. The governing body of any such district or subdivision shall expend such district or subdivision trust funds, or the income therefrom to be expended, consistently with the terms of the trust. The provisions of section 32 shall not apply to expenditures of district or subdivision trust funds.

32. Expenditures. Trust funds, or the income therefrom, to be expended, shall be paid to trustees or agents of the town established to carry out the object is designated by such trusts, and, if there be no such trustees or agents, then such expenditures shall be made by the full board of town trustees.

33. Audit and Publication of Reports of Trustees.

I. The accounts of the trustees shall be audited annually by the auditor of the town, the securities shall be exhibited to the auditor, and he shall certify the facts found by his audit, and the list of all securities held. The trustees shall submit to the auditor a detailed statement of the securities held by them and the particular trust to which they belong, and exhibit to him a statement of all receipts and expenditures with proper vouchers.

II. The legislative body of a town may authorize the printing of the reports of the trustees and of the auditor in summary form rather than in full detail in the annual town report.

III. In a year in which a town accepts gifts, legacies and devises for any trust created, the trustees and auditor shall print the names of the donors and the value of such gifts, legacies and devises at the time of donation in the annual town report.

34. Records. The trustees shall keep a record of all trusts in a record book, which shall be open to the inspection of all persons in their town.

35. Compensation of Bookkeeper. The bookkeeper of the trustees shall receive such compensation as the town meeting may determine.

36. Bank Deposits. Deposits in savings banks shall be made in the name of the town which holds the same in trust, and it shall appear upon the book thereof that the same is a trust fund.

37. Payment by Towns. Each town shall pay over to the trustees the full amount of its trust funds.

38. Reports. A copy of the reports required of the town and city trustees and of the auditor thereof shall be filed annually with the attorney general.

38-a. Professional Banking Assistance.

I. The provisions of RSA 31:19 through 31:38 as amended shall remain in full force and effect. This section is intended only to provide help to trustees covered by this subdivision by enabling them to have professional banking assistance in the performance of their duties as trustees.

II. "Bank" as used in this section means a savings bank, national bank or trust company in this state, any building and loan association or cooperative bank, incorporated and doing business under the laws of this state or any federal savings and loan association located and doing business in this state.

III. Any trustee or trustees of trust funds authorized by this chapter may hire or employ the trust department or departments of a bank or banks to assist in the management and investment of trust fund resources or to provide bookkeeping services in connection therewith or to do both. They may also place securities in the name of one of a trust department or departments to facilitate transfers of such securities. Trust fund records maintained by any bank must be retained at all times for examination by local auditors. By independent accountants be audited separately by a municipality, or by the auditors of the department of revenue administration, and such records shall be municipal records and property.

IV. Any expenses incurred pursuant to paragraph III of this section by a trustee or trustees authorized by this chapter shall be charged against the trust funds involved and shall be included and reported in the annual report of the trustee or trustees; all expenditures shall be made pursuant to RSA 31:38. b. III.

## LAWS RELATING TO TRUST FUNDS

H.S.A. Chapter 31

**19. In General.** Towns may take and hold in trust gifts, legacies and devises made to them for the establishment, maintenance and care of libraries, reading-rooms, schools and other educational facilities, parks, cemeteries and burial lots, the planting and care of shade and ornamental trees upon their highways and other public places, and for any other public purpose that is not foreign to their institution or incompatible with the objects of their organization.

**19-a. Trust Funds Created by Towns.** Towns may at any annual meeting grant and vest such sums of money as they deem necessary to create trust funds for the maintenance and care of libraries, reading rooms, schools and other educational facilities, parks, cemeteries and burial lots, the planting and care of shade and ornamental trees upon their highway and other public places, and any other public purpose that is not foreign to their institution or incompatible with the objects of their organization.

**20. For Cemeteries.** Towns shall take and hold in trust gifts, legacies and devises made to them for the care of cemeteries and burial lots when the terms of the gift, legacy or devise do not impose any liability upon the town beyond the amount of the gift, legacy or devise and the income thereon.

**21. Funds of Cemetery Associations, etc.** Towns may receive from cemetery associations or individuals funds for the care of cemeteries or any lot therein, and the income thereon shall be expended by the town in accordance with the terms of the trust or contract under which the funds were received.

**22. Trustees.** All such trusts shall be administered by a board of 3 trustees, unless a town at an annual or special town meeting votes that such trusts shall be administered by a board of 5 trustees. In towns with a board of 3 trustees, one trustee shall be elected by a ballot at an annual town meeting for a term of 3 years. In towns with a board of 5 trustees the 2 additional trustees shall be appointed initially by the selectmen, one for one year and one for 2 years. Thereafter all trustees shall be elected by ballot at the annual town meeting to replace those whose terms expire. The term of each trustee shall be 3 years. Vacancies shall be filled by the selectmen for the remainder of the term. In cities said trustees shall be chosen and hold their office for such term as shall be provided for by city ordinance. Trustees shall organize by electing one of their number bookkeeper, who shall keep the records and books for the trustees, and shall require a voucher before making any disbursement of funds from said trusts.

**22-a. Cy Pres Cemetery Trust Funds.** Upon petition of a majority of the board of trustees and upon a finding that it is in the public interest, the superior court may direct the application of only accumulated excess trust income for the general care, capital improvements to or expansion of the cemetery relative to which the particular trust applies. The court shall determine from the terms of the particular trust whether the excess income accumulation of the particular burial lot trust fund will not be required for the care of the burial lot in the foreseeable future. In determining the requirement the court shall consider:

- I. The financial status of the trust account.
- II. A projection of future interest rates.
- III. A projection of future labor costs necessary to maintain the lot.

**23. Single Trustees.** A town wherein the total book value of trust funds is less than fifteen thousand dollars, acting upon an agreement or understanding with any annual town meeting, may vote that the board shall consist of one trustee only. In which case said trustee shall be chosen by ballot at the same and each succeeding annual town meeting, and such vote may be rescinded in like manner. All the duties and obligations imposed by law upon a board of trustees shall devolve upon the trustee so chosen; vacancies shall be filled by the selectmen for the remainder of the year, and said trustee shall receive from the town treasury such compensation as the town meeting may determine.

**24. Trustees; Expenses.** The expenses of trustees or the trustee provided for in RSA 31:23 shall be charged as incidental town charges.

**25. Custody; Investments.** The trustees shall have the custody of all trust funds held by their town. The funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company in this state, or in shares of any building and loan association or co-operative bank, incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association, located and doing business in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city, school district, water and sewer district bonds and the notes of towns or cities in this state, and such stocks and bonds as are legal for investment by New Hampshire savings banks and when so invested, the trustees shall not be liable for the loss thereof, and in any common trust fund established by the New Hampshire Charitable Fund in accordance with RSA 292:23. The trustees may retain investments as received from donors, until the maturity thereof.

**25-a. Retention of Nonlegal Securities.** Any security which at the time of its purchase under RSA 31:25 constituted a legal investment for New Hampshire savings banks under the laws and conditions then existing may be retained notwithstanding the fact that, because of changes in the law relating to legal investments or because of conditions arising subsequent to the purchase of such security, its purchase might not then be legal, provided, however, that no such security that is not a prudent investment under the circumstances existing at the time of its retention and thereafter shall be retained by the trustees, and provided further that the aggregate total of the market value of all securities retained under this section shall not exceed 20 percent of the total market value of all the investments held by the trustees.

**25-b. Prudent Investment Defined.** For purposes of RSA 31:25, a prudent investment is one which a prudent man would purchase for his own investment having primarily in view the preservation of the principal and the amount and regularity of the income to be derived therefrom.

**25-c. Report to the Attorney General.** The trustees shall report annually to the attorney general any securities retained under the provisions of RSA 31:25-a, which shall appear as an addendum to the annual report required to be filed under RSA 31:38.

**26. Investments by Single Trustees.** In towns which have chosen a single trustee of trust funds such funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company in this state, or in shares of any building and loan association or co-operative bank incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association located and doing business in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city, school district, water and sewer district bonds and the notes of towns

or cities in this state and when so invested the trustee shall not be liable for the loss thereof, and in any common trust fund established by the New Hampshire Charitable Fund in accordance with RSA 292:23. The trustee may retain investments as received from donors until the maturity thereof.

**27. Collective Investments.** Notwithstanding any statute or rule of law in the contrary, town and city trustees of trust funds may establish, maintain and operate one or more common trust funds, in which may be combined money and property belonging in the various trusts in their care, for the purpose of facilitating investments, providing diversification and obtaining reasonable income, provided however, that said common trust funds shall be limited in the investments authorized in section 25 of this chapter, provided further, that not more than ten thousand dollars, or more than ten percent of the fund which is greater, in any town or city common trust funds shall be invested under section 25 in the obligations of any one corporation or organization, excepting deposits in savings banks, or in the savings department of a national bank or trust company in this state, or in shares of any building and loan association or cooperative bank, incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association, located and doing business in this state, or in shares of the United States and of the state of New Hampshire and its subdivisions, or in participation units of any common trust funds established by the New Hampshire Charitable Fund in accordance with RSA 292:23, and provided further, that the participating contributory interests of said trusts are properly evidenced by appropriate bookkeeping entries showing on an annual basis the capital contribution of and the profits and income allocable to each trust.

**28. Exception.** The provisions of section 27 shall not apply where the instrument creating the particular trust specifically prohibits collective investments or where such investment shall violate any specific court order made in any particular trust.

**29. Contributions and Withdrawals.** Contribution to any common trust fund shall be made on the basis of its market value at the time such contribution is recorded in the books of the trustees. The withdrawal of a particular trust fund from any common trust fund shall be made proportionately on the basis of the market value of said common trust fund at the time such withdrawal is recorded in the books of the trustees.

**30. Liberal Construction of Provisions.** The provisions of sections 25, 27, 29 and 30 of this chapter shall be construed liberally to effectuate the purposes stated in section 27.

**31. Trust Funds for Districts.** Except where otherwise specifically provided in the charter of a city or by special act of the legislature whenever a gift, legacy or devise shall be made in trust to a school district, village district or any subdivision of a town, and accepted by it, the same shall be held in custody and administered by the trustees of trust funds of such town or in case of districts embracing two or more towns by the trustees of trust funds of that town which the voters of said district may elect. The governing body of any such district or subdivision shall appoint such district or subdivision trust funds, or the same thereof, in fee or payment, consistently with the terms of the trust. The provisions of section 32 shall not apply in expenditures of district or subdivision trust funds.

**32. Expenditures, Trust Funds, or the income thereon, shall be paid in** trustees or agents of the town established to carry out the objects designated by such trusts, and, if there be no such trusts or agents, then such expenditures shall be made by the full board of town trustees.

**33. Audit and Publication of Reports of Trustees.**

I. The accounts of the trustees shall be audited annually by the auditor of the town. The securities shall be exhibited to the auditor, and no shall certify the list is found by his audit and the list of all accounts held. The trustees shall submit to the auditor a detailed statement of the securities held by them and the particular trust to which they belong and exhibit to him a statement of all receipts and expenditures with proper vouchers.

II. The legislative body of a town may authorize the printing of the reports of the trustees and of the auditor in summary form rather than a full detail in the annual town report.

III. In a year in which a town accepts gifts, legacies and devises for any trust created, the trustees and auditor shall joint the names of the donors and the value of such gifts, legacies and devises at the time of donation in the annual town report.

**34. Records.** The trustees shall keep a record of all trusts in a record book, which shall be open to the inspection of all persons in their town.

**35. Compensation of Bookkeeper.** The bookkeeper of the trustees shall receive such compensation as the town meeting may determine.

**36. Bank Deposits.** Deposits in savings banks shall be made in the name of the town which holds the same in trust, and it shall appear on the bank therefor that the same is a trust fund.

**37. Payment by Towns.** Each town shall pay over to the trustees the full amount of its trust funds.

**38. Reports.** A copy of the reports required of the town and city trustees, and of the auditor thereof shall be filed annually with the attorney general.

**38-a. Professional Banking Assistance.**

I. The provisions of RSA 31:19 through 31:28 as amended shall remain in full force and effect. This section is intended only to provide help to trustees, covered by this subsection, by enabling them to have professional banking assistance in the performance of their duties as trustees.

II. "Bank" as used in this section means a savings bank, national bank or trust company in this state, any building and loan association or cooperative bank, incorporated and doing business under the laws of this state or any federal savings and loan association located and doing business in this state.

III. Any trustee or trustees of trust funds authorized by this chapter may hire or employ the trust department or department of a bank or banks to assist in the management and investment of trust fund resources or to provide bookkeeping services in connection therewith or in its behalf. They may also place securities in the names of one of a trust department or departments to facilitate transfers for such securities. Trust fund records maintained by any bank must be available at all times for examination by local auditors, by independent accountants or auditors retained by a municipality, or by the auditors of the department of revenue administration, and such records shall be made available to the public.

IV. Any expenses incurred pursuant to paragraph III of this section by a trustee or trustees of trust funds authorized by this chapter shall be charged against the trust funds involved and shall be identified and reported in the annual report of the trustee or trustees as expenditures out of trust funds made pursuant to RSA 31:28-a, III.
